

Social Story Womin Djeka Ngargee Balanarring – 2023

I am going to the Womin Djeka Ngargee. It is a festival at a big park in Balnarring called Emu Plains. It is on the land of the Boon Wurrung People.

I will see a lot of children and adults at the festival.

I can walk / move around the festival with an adult and choose what to do.

Music

I can choose to listen to music - I might sit on the ground or on a chair. There will be lots of other people listening to music. The music might be loud or it might be soft

If the Music is too loud – I can borrow some head phones, or ear plugs from the Information tent. I will need to bring them back.

Activities

I can choose to do some drawing or making things with other children. I might need to wait for a turn if there are a lot of children.

Stalls

There will be some places where people buy food and drinks - I can ask if I can buy some too.

There will be lots of different food - I will like the taste of some of the food and can have a drink

There are places where I can talk to, and listen to people about caring for plants and animals.

Facilities

I can ask to go to a quiet place if i need a rest

If I need to go to the toilet there are toilets near the festival.

Going to the Womin Djeke Ngargee will be fun for me and everyone.
